Media Release Form

From time to time, your child may be on a field trip or part of a school event that involves media coverage. Please take the time to review this Media Release Form and select an appropriate option. Agreeing to media coverage does not in any way imply that your student with be videotaped, photographed, or interviewed. It simply indicates that your child has permission if there is media coverage by either the school or by the news. If you have any other questions, please contact the school before signing.

_____ My child has permission to be videotaped, photographed or interviewed by either the school or the news media during the school year.

_____ My child does not have my permission to be videotaped, photographed or interviewed by either the school or the news media during the school year.

By signing below, I verify that I have read and understand the above release and have indicated my preference above. If my preference should change during the school year, I will contact DSA to complete a new Media Release Form.
